PARLIAMENT

Le Corbusier

Designed by Le Corbusier in 1963 for the Parliament in Chandigarh in India, Parliament is a symbol of 1950s modernism, inspired by the industrial lighting of the time. The adjustable diffuser consists of two open symmetrical cones for direct and indirect lighting. The finishes reflect the “claviers de couleurs” colour system developed by the Swiss-French master.

E26 HALO/LED

LAMPING

Source	E26
Total power	2x60W
Emission	double, direct+indirect
Switching	push on/off, dimmable on cable according to bulb
Tension	120V
IP class	20
Dimensions	Ø 6.3" top x 16.1" x 66.9"-70.9"
Materials	aluminum
