

WALL SHADOWS PETIT

Charles Kalpakian

Inspired by the repetitive rhythm of monuments such as the Baalbeck archaeological site in Lebanon, Wall Shadows provides unusual lighting scenarios and diffused LED light, blurring the line between industrial design work and sculptural masterpiece. Available in different sizes, they are made of laser-cut and matte white painted aluminium.

3000K

LAMPING

Source	LED board
Total power	8W
Emission	diffused indirect
Switching	dimnable, 1-10V
Tension	120V
Color temperature	3000K
