CANNA NUDA METALLO CEILING

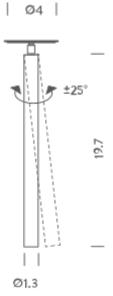

Piero Castiglioni & Roberto Menghi

Canna Nuda is a project that explores the diffusion of light through the use of cylinders in the sandblasted glass version, the spot lighting in the metal one, and the orientation in the ceiling variant. A collection that represents a synthesis between harmonious forms and versatile use.

LAMPING

LAMPING	
Source	LED board
Total power	6,2W
Emission	spot light
Switching	ON/OFF
Tension	120V
Color temperature	3000K
Luminous flux	360lm
Typ CRI	85
IP class	20
Dimensions	Ø1.3x 19.7"
Materials	metal
Notes	semi recessed lamp, 25° orientable, canopy (accessory) for standard mounting, white RAL 9003

Codes

CAM LWW 71

CAM LHH 71

Structure

white chrome
