

NEO

Bernhard Osann

Neo is inspired by the aesthetic reduction of articulated arms. Clean design and functionality interact with the space: the lamp adds movement to the room by leaning against the wall, which both supports it and spreads the light.

2700K

LAMPING

Source	linear LED
Total power	11W
Emission	diffused
Switching	dimmable on cable
Tension	120V
Color temperature	2700K
Luminous flux	600lm
Typ CRI	95
IP class	20
Dimensions	9.4'x 12.9'x 80.7'
Materials	aluminum, technopolymer
Notes	cable length 14.8', 3000K, 3500K and 4000K available on request, orientable 180°, black RAL 9005

Codes

NEO LNN 21
NEO LGN 21
