

AM1N

The Albini AM/AS collection represents the rationalistic philosophy of the Milanese architect. A 1969 design that combines linear shapes with the extreme quality of materials, such as the hand-blown glass of diffusers. Aiming to manage the different volumes of the space with a single design: ceiling, wall, floor and table.

E26 LED

LAMPING

Source	E26 QT-32
Total power	25W
Emission	diffused
