

CANNA NUDA METALLO CEILING

Piero Castiglioni & Roberto Menghi

Canna Nuda is a project that explores the diffusion of light through the use of cylinders in the sandblasted glass version, the spot lighting in the metal one, and the orientation in the ceiling variant. A collection that represents a synthesis between harmonious forms and versatile use.

LED

LAMPING

Source	LED board
Total power	6,2W
Emission	spot light
Switching	ON/OFF
Tension	120V
Color temperature led	3000K
Luminous flux led	360lm
Typ CRI	85
Ip class	20
Dimensions	Ø1.3x 19.7"
Materials	metal
Notes	semi recessed lamp, 25° orientable, canopy (accessory) for standard mounting, white RAL 9003

Codes
