

# AS41C

*Franco Albini, F. Helg, A. Piva, M. Albini*

The Albini AM/AS collection represents the rationalistic philosophy of the Milanese architect. A 1969 design that combines linear shapes with the extreme quality of materials, such as the hand-blown glass of diffusers. Aiming to manage the different volumes of the space with a single design: ceiling, wall, floor and table.

E27

### LAMPING

|                 |   |
|-----------------|---|
| Source          | E27   |
