## **AS41Z**

Franco Albini, F. Helg, A. Piva, M. Albini

The Albini AM/AS collection represents the rationalistic philosophy of the Milanese architect. A 1969 design that combines linear shapes with the extreme quality of materials, such as the hand-blown glass of diffusers. Aiming to manage the different volumes of the space with a single design: ceiling, wall, floor and table.
