

# SKILLED

SKILLED is a recessed spot for outdoor use. The aluminium, chromed brass and polycarbonate body is weight resistant up to 3000kg, making it especially suitable for the illumination of parking areas and walking paths. Radiant white light effect created by a clear polycarbonate diffuser. Bespoke solutions with blue/green/amber/red or RGB can be requested on demand to meet specific project requirements. IP67 rating, making it completely dust- and water-resistant.

Aluminium box for installation not included.
