

APPLIQUE À VOLET PIVOTANT PLIÉ

Charlotte Perriand

Disegnata da Charlotte Perriand nel 1962 per illuminare il suo chalet di montagna a Méribel nelle Alpi francesi. Una famiglia di lampade da parete dalle forme semplici e colorate. Diffusore “volet” orientabile in alluminio e struttura in metallo. Nella versione E14 l’interruttore è posizionato sulla struttura della lampada (on board) e la lampada è dotata di cavo e spina per un’installazione libera e semplice. La lampada emette luce indiretta verso la parete e il fascio può essere orientato a piacere.
