## Alon Rotman

Tel Aviv, 1989

Alon Rotman, born in Tel Aviv in 1989, graduated in Industrial Design from the Shenkar School of Design in 2021. His work focuses on essential forms and clear design principles, combining research, digital tools and an intuitive approach. His design process includes a computer, cigarettes, and time.

The Cupido table lamp embodies a love story between mass and line, expressing the romantic tension that results from the fusion of these two elements. A fine cable shapes the metal stem of the lamp, evoking the image of Cupid's bow and symbolising a deep, passionate bond. The result is a harmonious balance between elegance and visual strength.

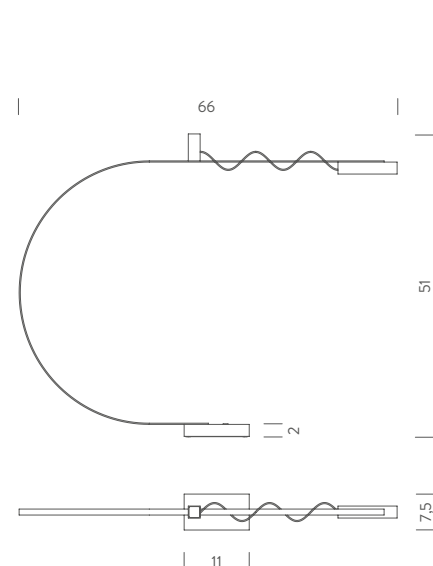

- IT La lampada da tavolo Cupido incarna una storia d'amore tra massa e linea, esprimendo la tensione romantica che scaturisce dalla fusione di questi due elementi. Un sottile cavo modella lo stelo metallico della lampada, evocando l'immagine dell'arco di Cupido, simbolo di un legame profondo e appassionato. Il risultato è un equilibrio armonioso tra eleganza e forza visiva.
- FR La lampe de table Cupido incarne une histoire d'amour entre la masse et la ligne, exprimant la tension romantique qui résulte de la fusion de ces deux éléments. Un câble fin façonne la tige métallique de la lampe, évoquant l'image de l'arc de Cupidon, symbolisant un lien profond et passionné. Le résultat est un équilibre harmonieux entre élégance et force visuelle.
- DE Die Tischleuchte Cupid verkörpert eine Liebesgeschichte zwischen Masse und Linie und drückt die romantische Spannung aus, die sich aus der Verschmelzung dieser beiden Elemente ergibt. Ein feines Kabel formt den Metallstiel der Leuchte, erinnert an das Bild von Amors Bogen, der eine tiefe und leidenschaftliche Bindung symbolisiert. Das Ergebnis ist ein harmonisches Gleichgewicht zwischen Eleganz und visueller Stärke.
