

SORRENTO

Valerio Sommella

Sorrento is a portable and rechargeable table lamp. An object that goes beyond the limits of perception, bringing the archetype of the candle holder into the present. A metal base supports three slender aluminium stems, the transparent methacrylate diffuser visually evokes the flame of a candle while emitting indirect light. Dimmable in three steps for an autonomy of up to 15 hours.

LED X3

LAMPING

Source	LED
Total power	5,4W
Emission	diffused, indirect
Switching	dimnable on board
Tension	5V
Luminous flux led	3x 48lm
Typ CRI	90
Ip class	20
Dimensions	ø12x29x45,4
Notes	equipped with USB-C socket USB-C cable included. Rechargeable, 5/15 hours battery life (MAX/min light Output) 4,5 hours charge time. White RAL 9003, black RAL 9005
