

ASTEROIDE

Le caractère unique du verre Nemo rencontre le design pur, faisant d'Asteroide un objet étroitement lié à la tradition de l'entreprise. En verre soufflé triplex blanc opale satiné, il garantit une diffusion lumineuse discrète et homogène avec des standards élevés tant seul qu'en grappe.

Ø 30 LED/HALO/FLUO

LAMPING

Source	E27
Total power	100W
Emission	diffused
Switching	dimnable, according to bulb
Tension	230V
Ip class	20
Dimensions	Ø30cm
Materials	metal + glass
Notes	cable length max 1,5m

Codes

AST EHC 52
AST EWC 52

Structure/Diffuser

chrome/white glass
white/white glass

PACKAGE

Package 01	Dimension: 20x20x28 cm / Gross weight: 1 kg
