

# PORTOFINO

*Valerio Sommella*

Portofino est une lampe de table fine, élégante et légère. Portable et rechargeable. Un design contemporain pour une utilisation polyvalente. Le résultat d'un processus guidé par la redéfinition de l'architecture du produit, la redistribution des composants et leur optimisation en termes de volume et d'efficacité. Le corps est en aluminium, tandis que la base est proposée en deux versions : l'une en aluminium et l'autre, plus élégante, en marbre dans différentes nuances.
